REQUEST TO VACATE NOTIFICATION OF ABANDONMENT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450  
Attn: Mail Stop PCT, DO/EO/US

Sir:

It is respectfully requested that the Notification of Abandonment mailed March 29, 2007, be vacated. The Notification indicates that Applicants failed to timely respond to the Notification of Missing Requirements mailed July 26, 2005. Applicants presume that the Notification intended to refer additionally to the Notification of Defective Response mailed August 4, 2006, which a set a one-month period for response. The one-month period expired on September 4, 2006, which was a Federal holiday

(Labor Day). Accordingly, a Reply to the Notification of Defective Response was due on September 5, 2006.

Attached to this request are copies of the following items: (i) Applicants' Reply to Notification of Defective Response, (ii) Applicants' Transmittal of International Preliminary Examination Report, and (iii) the date-stamped postcard receipt evidencing the timely filing of items (i) and (ii) on September 5, 2006.

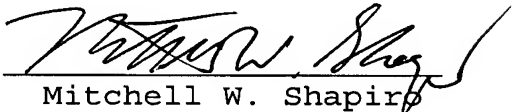

In view of the foregoing items, it is apparent that the Applicants in fact timely replied to the Notification of Missing Requirements (more particularly, the Notification of Defective Response), and that the holding of abandonment is therefore in error.

As the originals of items (i) and (ii) were evidently misplaced by the Office, it is respectfully requested that the accompanying copies be entered and that the Notification of Abandonment be vacated accordingly.

The Commissioner is hereby authorized to charge to Deposit Account No. 50-1165 any fees that may be required by this paper and to credit any overpayment to that Account. If any extension of time is required in

connection with the filing of this paper and has not been requested separately, such extension is hereby requested.

Respectfully submitted,
